

INTERNET SOLUTIONS

CUSTOM WEB DESIGN

At Creative Business Solutions our classically trained graphic artists keep you in the loop through out the development process to avoid those unwanted surprises. We pride ourselves on developing websites that are custom designed for your company. Our custom built web interface designs will always live up to your creative expectations and grow with your company, so costly redesigns can be avoided.

ADD POWERS TO YOUR WEBSITE

Does your site require content management?

Do you plan on maintaining your inventory?

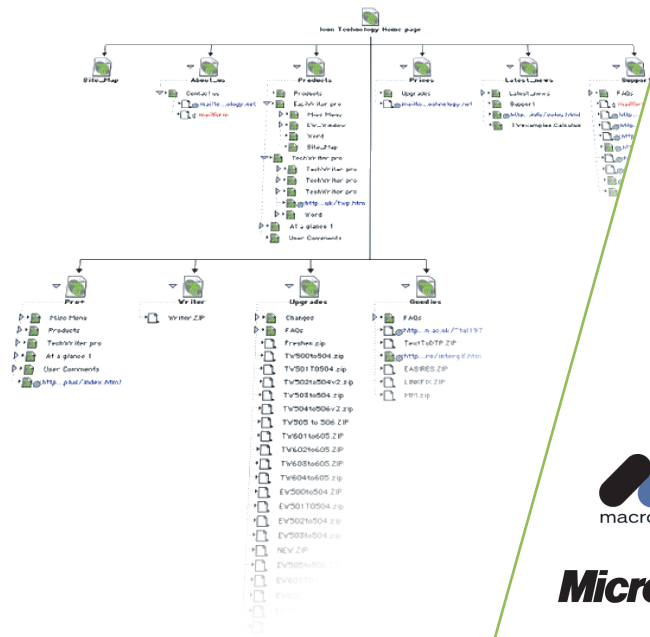

Need immediate updates for your website?

Are you looking for low up front costs?

Some solutions are better handled with the use of a database to store and organize information. These powerful web tools are an add-on service that **keeps development costs to a minimum**. Here are a just few examples of these powerful web tools:

- Online Catalogs for Products
- Events w/ Calendar
- News / Announcements
- Travel Packages
- Photo Gallery
- Affiliate Program
- Real Estate Listings
- Shopping Cart

Incorporating the use of these powerful web tools on your website will allow you to control various search and display capabilities that you can dynamically generate 24-7-365.

YOUR HOSTING SOLUTION

We offer **Hosting Solutions** not Hosting Accounts!

A hosting solution is based on Creative Business Solutions becoming your full service hosting provider. Through continuous consultation our firm can assist you every step of the way.

- Choosing and purchasing the right domain name
- Setting up the hosting server account
- Email address setup and assistance
- Statistic setup and assistance (when applicable)
- Merchant account setup and integration
- General website consulting
- Statistical reporting
- Performance reporting
- Maintenance and support

The difference is, with Creative Business Solution you always have someone to call. Let us be your internet technical department so you can continue to focus on the things that are important to making your business succeed.
